IN PARTNERSHIP WITH GROWTH WORKS

# Get financial support to help cover your costs

We are delighted to be working in partnership with Growth Works – an exciting programme that enables businesses to unlock or accelerate their rapid growth.

They are offering you – as one of our clients – the fantastic opportunity to get grant funding so you can take full advantage of our products or services to ultimately help you grow your business.

The Growth Works grant can give you 50% off our service fees up to £6,500, or enable you to benefit from 100% more for the same price.

**“It sounded too good to be true but the whole process was really straightforward”**

## How to apply

Complete a quick and easy online diagnostic to check your eligibility. A dedicated Growth Works Advisor will then guide you through the grant application process.

## Baseline eligibility

- ▶ You have 3-249 employees
- ▶ Balance sheet less than €43m (approx. £38m)
- ▶ Annual turnover less than €50m (approx. £44m)
- ▶ Located in Cambridgeshire and Peterborough region
